# Making a transfer in Online Banking

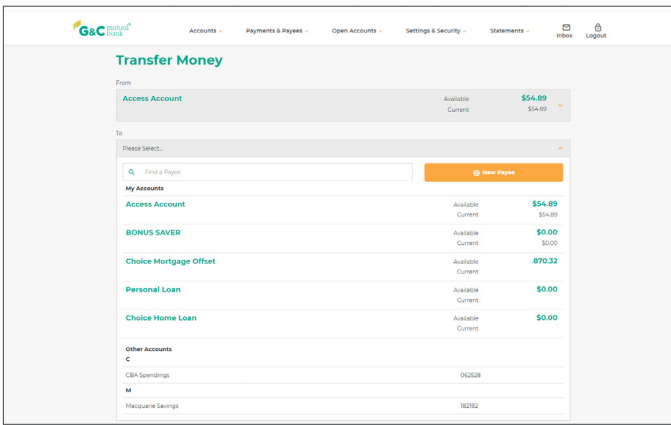

1 Log into Online Banking.

2 An SMS One Time Password will be sent to your mobile device. Enter the One Time Password and select 'OK'.

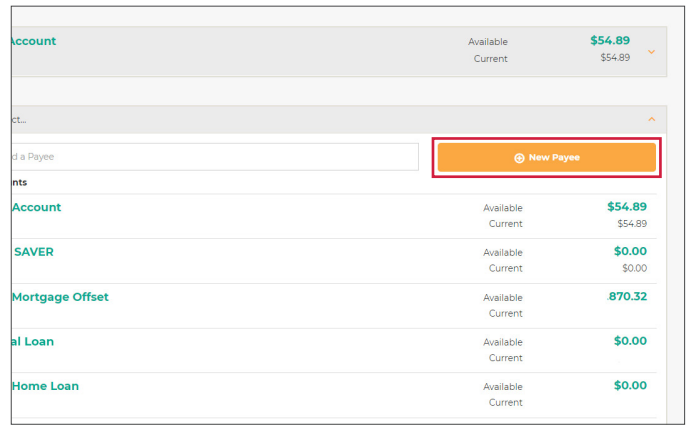

3 Select 'Transfers' from 'Payments & Payees' in the top drop down menu.

4 Select the account from which you want to transfer the funds from.

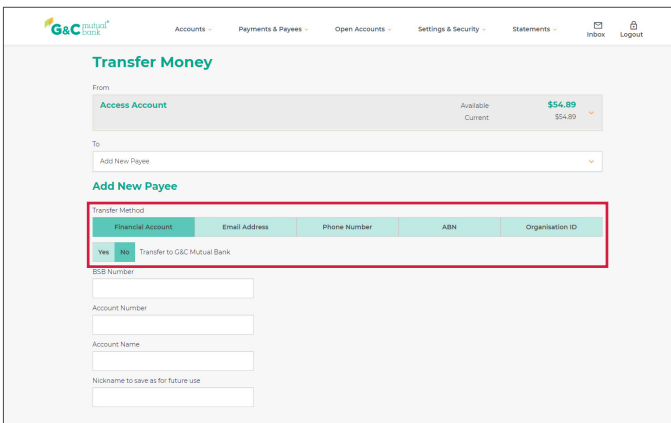

5

Select the account to transfer funds to. This can be another G&C Mutual Bank account or an external bank account.

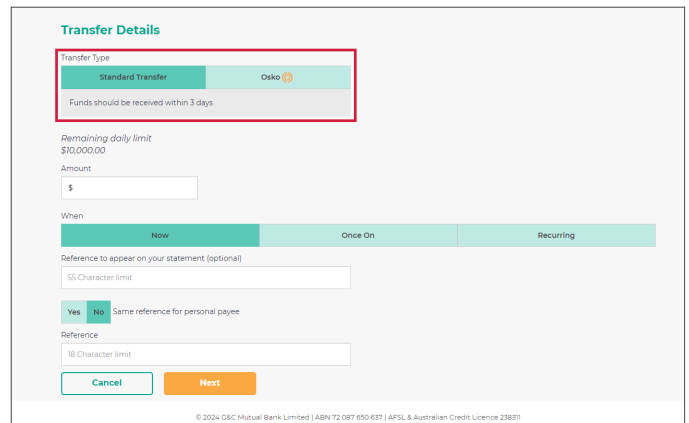

6

If you have not made a transfer to the account before, you will need to select 'New Payee' to set up the account.

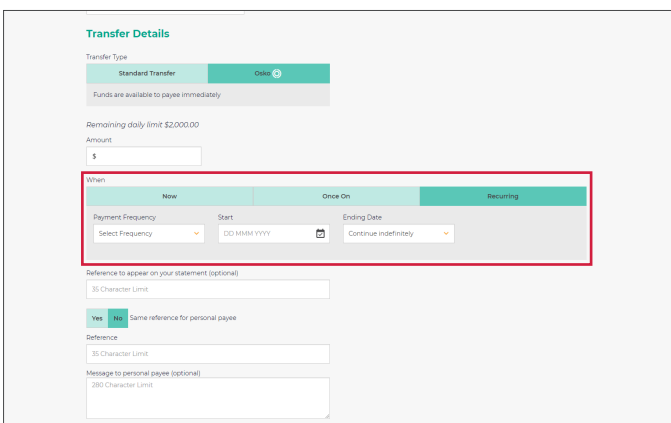

7

Select your preferred transfer method and enter the account details of the account you want to transfer the funds to. SMS One Time Password may be required.

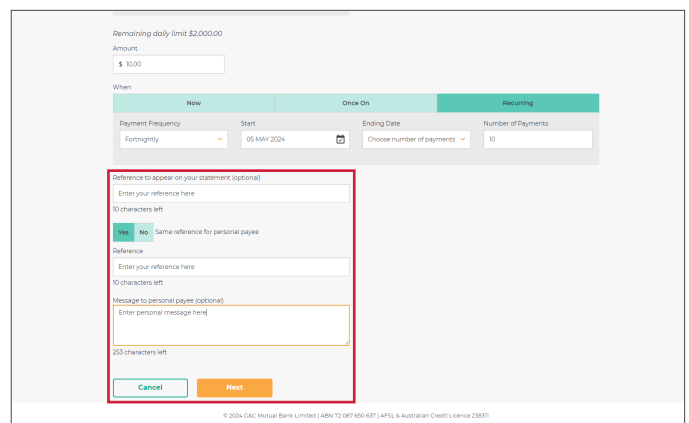

8

Select your preferred transfer type. If you select Osko, funds will be available immediately. A Standard Transfer will be available within 3 business days, however the daily transfer limit is higher.

9

Select when you would like the transfer to take place. You can select for the transfer to happen now, at a future date, or make the transfer recurring.

10

Enter your reference information into the fields and select 'Next'.

**Transfer Money - Review and Submit**

 Please check the payment details carefully before clicking Submit to make sure you are paying who you intend to pay. If the payment goes to an unintended recipient, it may not be possible to recover the funds.
